Institutional Effectiveness, Planning, and Research (IEPR)

- The Office of Institutional Research has been coordinating with Academic Services and Program Coordinators to develop the Council for Postsecondary Education's (CPE) 5-Year Program Reviews for the Multimedia, Medical Information Technology, Computer Information Technology, and Business Administration Programs.
- Based on the majority feedback received from HCTC students, employees, and community constituents, the Quality Enhancement Plan (QEP) Development Team has selected "Orientation / First-Year Experience Course" as the next QEP topic and began conducting best practice research on the topic.
- Dr. Greiner and five members of the HCTC SACSCOC team attended the SACSCOC Annual Conference held in Nashville, Tennessee, in December 2014.
- The HCTC SACSCOC team met in December and January, reviewed the SACSCOC compliance standards, and assigned compliance standards to responsible parties in preparation for SACSCOC reaccreditation in 2017. The targeted date for the first draft of the SACSCOC Reaccreditation Report is July 1, 2015.
