

Resolution 4-15
Hazard Community & Technical College
2015-16 Final Allocation of Budget Request

Background:

HB-1 requires the Hazard Community and Technical College Board of Directors to approve and submit an annual budget for the college to the Kentucky Community and Technical College System. The President worked with the college's leadership and others to develop budget expenditure priorities for 2015-16. The final allocation of budget request was determined by a prioritized list (adopted February 26, 2015), a budget expenditure plan to allocate available resources (adopted May 7, 2015) and the KCTCS Annual Budget (adopted June 12, 2015). This resolution is prepared and offered as final approval of HCTC's final allocation of budget request.

Action:

The Board of Directors hereby approves the final allocation of budget request plan presented in the attachment for 2015-16. The Board directs the President/CEO of the college to submit this action to the President of the Kentucky Community and Technical College System.
