Hazard Community & Technical College
Six Year Capital Plan 2016-2020

02/26/15

Background:

HB-1 requires the Hazard Community and Technical College Board of Directors to approve and submit an annual budget, for the college to the Kentucky Community and Technical College System. As part of this process the Hazard Community and Technical College Capital plan is also updated every two years to be presented to CPE and the Legislature for approval and possible funding. This plan, like the annual budget, is also presented to the Board of Directors for approval prior to submission to KCTCS and the KCTCS Board of Regents.
