

Resolution 2-10

Hazard Community & Technical College

2010-2016 Strategic Plan

Background:

The HCTC Strategic Plan contains institutional goals and performance measures and targets. The plan was developed so that the institutional goals support the Kentucky Community and Technical College (KCTCS) goals. All HCTC employees were involved in the planning process. We followed an Appreciative Inquiry process analysis for developing future directions, from meetings with employees and students, and presented those ideas to KCTCS. The 2010-2016 HCTC Strategic Plan is a 6 year plan developed by the college's Leadership team after reviewing the KCTCS 2010-2016 Strategic Plan. The KCTCS Plan was based upon results of the Appreciative Inquiry processes conducted at the various colleges. The President of the Kentucky Community and Technical College System has requested formal adoption of the 2010-16 Strategic Plan by the College's Board of Directors to accept the plan for Hazard Community and Technical College.

Recommendation:

Upon review by the Directors it is recommended that the attached 2010-16 Strategic Plan be adopted effective this 4th day of March 2010 by the Hazard Community & Technical College Board of Directors.
