

Resolution 3-06
Hazard Community & Technical College
2006-10 Strategic Plan

Background:

The HCTC Strategic Plan contains institutional goals, core indicators, measures and targets. The plan was developed so that the institutional goals support the Kentucky Community and Technical College (KCTCS) goals. All HCTC employees were involved in the planning process. The 2006-10 HCTC Strategic Plan is a five-year plan developed by reviewing the KCTCS 2006-10 Strategic Plan, conducting a SWOT analysis and developing future directions from meetings with employees and students. The new HCTC goals were developed by the Board of Directors during a Board meeting in November 2004. The President of the Kentucky Community and Technical College System has requested formal adoption of the 2006-10 Strategic Plan by the College's Board of Directors to accept the plan for Hazard Community and Technical College.

Recommendation:

Upon review by the Directors it is recommended that the attached 2006-10 Strategic Plan be adopted effective this 21st day of February 2006 by the Hazard Community & Technical College Board of Directors.
