

Resolution 4-04
Hazard Community & Technical College
2004-06 Strategic Plan

Background:

The HCTC Strategic Plan contains institutional goals, unit goals, departmental objectives, methods of measurement and unit/persons responsible. Goals and objectives were developed so that the broader institutional goals and the College's responsibility of supporting the Kentucky Community and Technical College (KCTCS) goals are achieved. All HCTC employees were involved in the planning process. The 2004-2006 HCTC Strategic Plan is a two-year plan developed by revising the previous HCTC Strategic Plan. All units of the college were encouraged to limit their focus to several priorities for the upcoming two years. The President of the Kentucky Community and Technical College System has requested formal adoption of the 2004-06 Strategic Plan by the College's Board of Directors to accept the plan for Hazard Community and Technical College.

Recommendation:

Upon review by the Directors it is recommended that the attached 2004-06 Strategic Plan be adopted effective this 20th day of May 2004 by the Hazard Community & Technical College Board of Directors.
