

Resolution 4-05
Hazard Community & Technical College
Board of Directors
Bylaws

Background:

The Post-secondary Education Improvement Act of 1997 made a significant change in the duties of the individual Community College Advisory Boards. A model set of Bylaws was developed by Kentucky Community and Technical College System. The Board of Regents revised these model by-laws on July 1, 2000 and again on February 20, 2004. The HCTC Board of Directors has also revised it's by-laws to accommodate the KCTCS changes on April 19, 2001, August 27, 2002, March 25, 2003 and October 2, 2003. At this time, due to KCTCS changes and the resignation of the HCTC Student Representative, the HCTC Board of Directors has requested an additional change.

The President of the Kentucky Community and Technical College System has requested formal adoption of these revised Bylaws by the college's Board of Directors to reflect these changes.

Recommendation:

Upon review by the Directors it is recommended that the attached set of revised Bylaws be adopted effective this 18th day of August 2005 by the Hazard Community & Technical College Board of Directors.
