

MOREHEAD STATE UNIVERSITY

RN TO BSN NURSING PROGRAM

"My favorite thing about MSU is that the post-licensure program is able to provide the flexible scheduling and online classes that I need to successfully balance my hectic schedules - but still has the support and security of a traditional college environment. Learning new skills and concepts improves my ability to recognize abnormalities or change what could otherwise be detrimental."

Melissa King
West Liberty, KY
Junior, BSN post-licensure

If you're a working nurse who wants to take your education to the next level, Morehead State can help you achieve your goal with our online post-licensure nursing program.

The online program will give you the convenience to study in a way that fits into your busy lifestyle. You can "go to class" wherever you have an Internet connection.

To be admitted to the program, you only need to be a registered nurse with an active license in Kentucky without restrictions.

The RN-BSN program consists of 8-week modules and can be completed on a part-time basis for working RN's.
