

Transition Investment Pathways for Students' (TIPS) FYE 100:

WHY STUDENTS NEED IT!!!

The course will:

Help students successfully transition to college and career

- Increase knowledge of financial literacy skills (financial aid, budgeting, etc.)
- Locate and utilize campus resources

Invest in soft skills development for academic and career success

- Develop and apply soft skills (critical thinking, work ethic, attendance, etc.)

Empower students to be independent agents of their academic and career pathways

- “Undecided” students will select a program of study
- Develop an academic plan that leads to a career pathway

Hazard (suggested schedule):
